

Hospitality is a virtue that teaches us how to treat and love others. The St. James Little Women Hospitality Program is centered on the virtue of hospitality for girls 6th, 7th, and 8th grade.

- The girls will learn practical skills such as baking, cleaning, setting a table, manners and conversation, writing letters, care for the elderly, gardening, and more.
- These activities will be combined with stories of saints, prayer, and snacks.
- Girls will receive a bracelet or necklace and each month will get a charm corresponding to the lesson for that day.
- We will meet in the St. James Parish Center from 3:15 to 4:30pm on the 4th Monday of the month from Sept – May. The first meeting is Sept 25th.

Cost is \$40 per child (checks payable to St James Little Flowers) Please **register by Sept 15th**. Please email or call/text with any questions.
